Jorge Libório

Partner Cyber Security @ EY | MBA | CISSP | CCSP | ISO 27001
Portugal

Resumo

Jorge is a Partner at EY, where he leads the cybersecurity offering for the Portuguese cluster (Portugal, Angola, Mozambique and Cape Verde). He has over 12 years of experience in information security, with a strong background on Security Operations Centers (SOC) and Security and Risk Management (SRM).

He joined EY in July 2023, after serving as the Security Practice Lead for Professional Services, Asia Pacific and Japan at VMware, where he enabled and incubated the security practice and developed new security offerings for the Organization. Prior to that, he was the Cyber Defense Practice Lead for Middle East & Africa and then Asia at HP/DXC Technology, where he built and managed the cyber defense practice, covering consulting, pre-sales, and MSS services. He has also worked as an IT Security Consultant for everis and Unisys Back in Portugal, providing advisory and delivery services to clients from various industries.

Jorge holds a Master of Business Administration from The University of Manchester and a Bachelor's degree in Computer Engineering from Superior School of Technology in Castelo Branco. He holds multiple cybersecurity certifications such as CISSP, CCSP and ISO 27001. He is fluent in Portuguese and English, and has extensive international experience, having worked and lived in Portugal, United Arab Emirates, and Singapore. He is passionate about cybersecurity and innovation, and strives to deliver value and excellence to his clients and team.
